Ms. Lisa Brewer, Director
Gibson-Pike-Warrick Spec. Ed.
114 N. Grove Street
Oakland City, IN 47660

Dear Ms. Brewer:

As in the past, we are again asking those of you who wish to become or remain a retainer client of Bose McKinney & Evans LLP to pay a \$500.00 annual retainer. As many of you are already aware, that \$500.00 is applied to charges such as telephone consultations, opinion letters, assistance with complaint investigations, and other similar matters throughout the year. If such charges exceed \$500.00, you will be billed directly for any further work. Matters such as hearings, in-service workshops, teacher dismissals and the like, will be billed separately.

Being a retainer client of Bose McKinney & Evans LLP entitles you to invitations to our client workshops, travel to and from your district at two-thirds (2/3) the attorney's hourly rate, and the ability to call on BM&E school law attorneys at any time and receive an immediate response. Further, we try to keep retainer clients advised via e-mail as important matters come to our attention.

We hope that you will choose to continue your retainer relationship with BM&E or to join us as a new retainer client so that we may better serve you in the year 2011.

Please find enclosed our invoice with regard to the 2011 School Law Retainer. If you wish to become or remain a retainer client with Bose, McKinney & Evans LLP, please return the green copy of the invoice with your District's check made payable to Bose McKinney & Evans LLP. Returning the green copy of the invoice with your payment will insure your payment will be credited accurately.
