Mrs. Rachael Hileman, Secretary of the Board of Finance	X		
Stacy McClellan, Board Secretary	X		

## 6 DISCUSSION ITEMS

Dr. Bryan Perry, Superintendent

### 6.1 Diploma Change Update *(5 minutes)*

Dr. Bryan Perry, Superintendent

The diploma requirements in Indiana begin with the incoming freshman class. The high school is working to establish paths for students based on current blueprints. The new diploma is unlikely to be adopted by the IDOE until December 2024. Students will be required to accumulate 42 credits including varied levels of work based learning. In order to allow students high school options, we are looking at offering PE I and College and Careers in the 8th grade for HS credit. Algebra will remain an option in the 8th grade for credit. We also anticipate limiting summer school to those who are in need of credits for HS graduation. The state continues to reduce reimbursement for summer school cost.

**Minutes:**

Dr. Perry and the Board discussed the changes which are expected to pass at the State level. No Board action is required at this time.

### 6.2 Request for Qualifications *(15 minutes)*

Darryl Angermeier

There are 3 firms that submitted RFQ's for the proposed multi purpose facility. The firms Hafer, Three I Design, and VPS Architecture will provide a brief presentation and take questions from the board.

**Minutes:**

The Board heard presentations from Hafer, 3I Engineering, and VPS concerning the potential project for a multipurpose facility on the Gibson Southern High School campus.
