1623 - SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT

The School Board prohibits discrimination against any employee or applicant based upon disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement or discharge of employees, employee compensation, job training, or other terms, conditions and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

Notice of the Board's policy on nondiscrimination in employment practices and the identity of the School Corporation's Compliance Officer(s) (see below) will be published on the Corporation's website, posted throughout the Corporation, and included in the Corporation's recruitment statements or general information publications.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges or is alleged to have been subjected to unlawful discrimination/retaliation, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged discrimination/retaliation.

Respondent is the individual who is alleged to have engaged in unlawful discrimination/retaliation, regardless of whether the Complainant files a formal complaint or is seeking an informal resolution to the alleged discrimination/retaliation.

Corporation community means students, Corporation employees (i.e., ~~administrators~~, administrators and professional and support staff), and Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include but are not limited to guests and/or visitors on Corporation property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with or seeking to do business with the Board, and other individuals who come in contact with members of the Corporation community at school-related events/activities (whether on or off Corporation property).

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Corporation office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

An individual with a disability means a person who has, has a record of, or is regarded as having a physical or mental impairment that substantially limits one or more major life activities.

Major Life Activities

Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function, including, but not limited to, functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

Impairment That Substantially Limits a Major Life Activity

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aides or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

Qualified Individual with a Disability

A qualified individual with a disability means the individual satisfies the requisite skill, experience, education and other job-related requirements of the employment position the individual holds or desires and can perform the essential functions of the job in question, with or without reasonable accommodation.

Reasonable Accommodation

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability, unless the accommodation would impose an undue hardship on the operation of the Board's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

Facilities

No qualified person with a disability will be denied the benefits of, excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies because the Corporation's facilities are inaccessible to or unusable by persons with disabilities.

For facilities constructed or altered after June 3, 1977, the Corporation will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the Corporation is committed to operating its programs and activities so that they are readily accessible to persons with disabilities.

Compliance Officer(s)

The Board designates following individual(s) to serve as the Corporation's Compliance Officer (also known as Section 504 Compliance Officer/ADA Coordinator) (hereinafter referred to as the "CO").

Name and/or Title: Dr. Bryan Perry, Superintendent

Phone number: 812-753-4230

E-mail: bryan.perry@sgibson.k12.in.us

The names, titles, and contact information of these individuals will be published annually on the Corporation's website and on each individual school's website.

The COs are responsible for coordinating the Corporation's efforts to comply with applicable Federal and State laws and regulations, including the Corporation's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination/retaliation or denial of equal access. The COs also shall verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), and the Age Discrimination in Employment Act of 1975 is provided to staff members and the general public. A copy of each of the Acts and regulations on which this notice is based will be made available upon request from the CO.

The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. See below.

Investigation and Complaint Procedures (See Form 1623B F2)

Any employee who alleges to have been subjected to unlawful discrimination or retaliation on the basis of disability may seek resolution of the complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of discrimination/retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint within thirty (30) calendar days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights ("OCR"), the Indiana Civil Rights Commission ("ICRC") or the Equal Employment Opportunity Commission ("EEOC").

Informal Complaint Procedure

The goal of the informal complaint procedure is to stop inappropriate behavior promptly and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for an employee who alleges unlawful discrimination or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is available only when the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process, and individuals who participate in the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a Corporation employee or any other adult member of the Corporation community and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe doing so, the Complainant should tell or otherwise inform the Respondent that the allegedly discriminatory/retaliatory conduct is inappropriate and must stop. The Complainant should address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel the Complainant when taking this initial step or to intervene on behalf of the individual if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the inappropriate conduct may file an informal or a formal complaint.

In addition, with regard to certain types of unlawful discrimination (e.g., sex discrimination), the CO may advise against the use of the informal complaint process.

A Complainant who alleges unlawful discrimination/retaliation may make an informal complaint, either orally or in writing: 1) to a building administrator; 2) directly to one of the COs; and/or 3) to the Superintendent or other Corporation-level employee.

All informal complaints must be reported to one of the COs, who either will facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Corporation's informal complaint procedure is designed to provide the Complainant with a range of options aimed at bringing about a prompt resolution of the Complainant's concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve but is not limited to one or more of the following:

- A. Advising the Complainant about how to communicate concerns to the Respondent.
- B. Distributing a copy of Policy 1623 - Section 504/ADA Prohibition Against Disability Discrimination in Employment to the individuals in the school building or office where the Respondent works/attends school.
- C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint.

If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, one of the parties requested that the informal complaint process be terminated to move to the formal complaint process, the Complainant elects to file a formal complaint from the outset, or the CO determines the allegations are not appropriate for resolution through the informal **complaint** process, the formal complaint process shall be implemented.

A Complainant may file a formal complaint, either orally or in writing, with a principal, the CO, the Superintendent, or other Corporation official.

Due to the sensitivity surrounding complaints of unlawful discrimination and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) calendar days after the conduct occurs. If a Complainant informs a principal, the Superintendent, or other Corporation official, either orally or in writing, about any complaint of discrimination/retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, ~~including~~ **including** but not limited ~~to~~ **to** a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO still may take whatever actions are deemed appropriate in consultation with the Superintendent.

Within five (5) business days of receiving the formal complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 1623 - Section 504/ADA Prohibition Against Disability Discrimination in Employment. The Respondent also must be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO or a designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint.

The investigation will include:

- A. interview(s) with the Complainant;
- B. interview(s) with the Respondent;
- C. interviews with any other witnesses who reasonably may be expected to have any information relevant to the allegations; and
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO or the designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in unlawful harassment/retaliation of the Complainant. The CO's recommendations must be based upon the totality of the circumstances. In determining if discrimination or retaliation occurred, a preponderance of evidence standard will be used.

The CO may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or the designee, the Superintendent either must issue a written decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's final written decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

If the Superintendent determines the Respondent engaged in unlawful discrimination/retaliation toward the Complainant, the Superintendent must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

A Complainant or Respondent who is dissatisfied with the final decision of the Superintendent may appeal through a signed written statement to the Board within five (5) business days of the party's receipt of the Superintendent's decision. The written statement of appeal must be submitted to the Board Attorney.

In an attempt to resolve the complaint, the Board shall meet with the concerned parties and their representatives within twenty (20) business days of the receipt of such an appeal. A copy of the Board's disposition of the appeal shall be sent to each concerned party within ten (10) business days of this meeting. The decision of the Board will be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the Complainant pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described interviews/meetings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the OCR, EEOC or ICRC, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The Corporation will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Corporation's legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations.

All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity.

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that is learned or provided during the course of the investigation.

Remedial Action and Monitoring

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant, including but not limited to counseling services, reinstatement of leave taken due to the discrimination or other appropriate action.

The Board may appoint an individual, who may be a Corporation employee, to follow up with the Complainant to ensure no further discrimination or retaliation has occurred and to take action to address any reported occurrences promptly.

Sanctions and Disciplinary Action

The Board shall vigorously enforce its prohibitions against unlawful discrimination by taking appropriate action reasonably calculated to stop and prevent further misconduct.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of any relevant collective bargaining agreement or student code of conduct.

When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the age and maturity level of any student involved. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of any relevant collective bargaining agreement or student code of conduct.

Where the Board becomes aware that a prior disciplinary action has been taken against the Respondent, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, made a report/formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the Corporation community related to the implementation of this policy and shall provide training for Corporation students and staff where appropriate. All training and information provided regarding the Board's policy and discrimination in general will be age and content appropriate.

Retention of Investigatory Records and Materials

The CO is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation, which may include but are not limited to:
